School of the Environment: Collaborative Specialization in Environmental Studies (CSES)

Below you will find the requirements for students completing the Master of Global Affairs program who are completing a Collaborative Specialization in Environmental Studies. Although this document will provide you with guidance for completing the specialization, note that the [School of Graduate Studies Calendar](#) is the authoritative source for all degree requirements.

Master of Global Affairs (MGA)

MGA students complete a total of 8.5 FCEs. Students enrolled in the Collaborative Specialization in Environmental Studies must have at least 30% of their coursework (2.5 FCEs) count towards the CSES and complete the following collaborative specialization requirements:

- ENV 1001H: *Environmental Decision Making* (0.5 FCE)
- One elective (0.5 FCE) from the [CSES course list](#).
- GLA1007H (0.5 FCE) which satisfies the CSES internship requirement provided there is an environment related component. *A letter confirming the completion of the internship must be submitted to the School of the Environment prior to convocation.*
- One of GLA2095H or GLA2888H (0.5 FCE) which satisfies the CSES research paper requirement provided there is an environment related component. *A copy of the final research paper must be submitted to the School of the Environment prior to convocation.*
- GLA2000Y (1.0 FCE), which counts towards the CSES requirements.
